Appointments of OBCs in Civil Services

†2641. SHRI MANGANI LAL MANDAL: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that appointments from other backward classes in Indian Civil Services have been less than the posts reserved for them so far since 1994;

(b) whether it is also a fact that the percentage of such appointments is decreasing every year; and

(c) if so, the details thereof till date, year-wise since the year 1994 and the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF PERSONNEL, PUBLIC GRIEVANCES AND PENSIONS (SHRI SURESH PACHOURI): (a) Yes Sir.

(b) No Sir.

(c) A Statement is laid on the Table of the House (See below).

1	2	3	4
1999	411	97	23.60%
2000	427	100	23.42%
2001	417	97	23.26%
2002	310	88	28.39%
2003	457	124	27.13%
2004	453	114	25.17%
TOTAL:	5657	1409	24.91%

In terms of percentage, total OBC candidates allocated services so far since 1994 has been slightly less than their quota of 27%. The reasons for this are:

(i) The roster for OBC vacancies are maintained by respective cadre controlling authorities and OBC vacancies are separately reported by each cadre controlling authority annually. As such, total number of OBC vacancies reported by various cadre controlling authorities may not add to exactly 27% of total number of vacancies in a year; and

(ii) some candidates, including those belonging to OBC category, after being recommended by UPSC do not appear in the medical examination or fail to qualify it. The candidature of such candidates is cancelled. As a result some vacancies including that of OBC category remain unfilled.
